Soaring into the Future-One Student at a Time

December 10-14, 2018 Stephen E. Sweeney, Principal

Eagles Achieve!

Has your child achieved something amazing and wants to share it with the Evergreen School community? Evergreen Student Council unveiled the Achievement Box to the upper grade students at lunch this past Monday. If a student wants to share an accomplishment, they just need to visit the office, fill a recognition slip and drop it in the Achievement Box.

Student council and Mr. Sweeney will randomly select achievements to share over the morning announcements and/or in the weekly newsletter. Currently, the Achievement Box is available to upper grade students and once all the kinks are ironed out the box will become available to primary students. We have wonderful students doing amazing things.

Let's take advantage and share our students' accomplishments with our community.

Old Crayon & Marker Recycling

The markers can be any brand and do not need to be working. Crayons can be broken and mangled. There are boxes for both in the office.

Coins for Camp Fire Relief

Evergreen's Expect Respect students are collecting coins to help the people affected by the Camp Fire, which is considered to be the deadliest and most destructive in the state of California. It destroyed 13,972 residences and 528 commercial buildings as it burned 153,336 acres. About 52, 000 people have been displaced. Every classroom has a collection container for students to put their coins in.

PBIS Positive Behavioral Interventions & Supports
OSEP TECHNICAL ASSISTANCE CENTER

The goal of PBIS is to create a positive school climate, in which students learn and grow. However, school climate can vary widely from school to school. A number of factors affect school climate, including school location, neighborhood culture, instructional methods, student diversity, and school administration.

Our school is one of four district schools still needing to implement PBIS or Positive Behavioral Interventions and Supports. The purpose of PBIS is to help us build capacity for implementing a multi-tiered approach to social, emotional and behavior support.

Prior to starting the implementation process, we need to identify processes that are already in place that will lead to a successful PBIS implementation. We will also identify processes that will need to be in place prior to the PBIS implementation. In order to gather this information, we will be using a PBIS survey instead of our traditional Comprehensive Safe School staff survey. EVERGREEN ELEMENTARY PTA

Supply Drive for Your Kids Class Room

Our beloved school teachers are running low on supplies and they are requesting your help to replenish copy paper, and tissue boxes.

Your Evergreen PTA is making it easy to fulfill these items to your child's current teacher. Supplies will be delivered directly to teachers' classrooms, with your child's note attached. Submit your completed order form, personalized note, and payment in an envelope **by Dec 21st** to either your teacher OR school office (if you wish to surprise your teacher).

Please have students fill out the note below and submit with your order sheet and payment to the school office. Please make checks payable to EVERGREEN ELEMENTARY PTA.

make new friends

Girls on the Run is an after-school program that gives 3-5th grade girls the tools to be **HAPPY**, **healthy**, and *confident!*

Girls on the Run is **more than just a running program** - it gives girls the opportunity to build confidence and healthy habits. Over **10 weeks**, from **March through May**, girls will recognize their star power, make new friends, and so much more! Teams meet **twice each week** to play games and learn new life skills while building endurance to complete the Girls on the Run 5K on May 18.

be yourself

reach your goals

Registration opens December 1

Scholarships are available. Please apply before registration.
